

To the patients of Dr. Elvia Canseco:

Please be informed I am leaving my practice on April 30, 2024. I will be joining a different practice in the Houston area. However, I leave you in the good hands of my colleagues at Berkeley Eye Center who remain available to assume your care. Berkeley Eye Center's staff are prepared to assist whenever you are ready to make your next appointment.

If you prefer, you may contact your medical plan/health insurance company for a list of area physicians. You may also contact the local medical society for names of physicians near you.

If you seek care outside of Berkeley Eye Center, a copy of your medical record will be sent to your new physician—once Berkeley Eye Center receives your written authorization to release this information. You may also request a copy of your records.

After my departure, you may request a copy of your records with a written authorization form by contacting Berkeley Eye Center's central business office at:

Attn: Central Business Office
22741 Professional Dr.
Kingwood, TX 77339

If you have questions, please contact Berkeley Eye Center's central business office at (281) 348-4650.

Sincerely,

Elvia Canseco, M.D.
